

Ashbourne and District Lions Club are delighted to announce the return of The Great American Tea Party. Following on from its huge success last year this Charity night will take place on Saturday, October 6th in the

Community Centre. The idea is simple, everyone brings their own Food and Drink for their table. The large tables hold 10 x people @ €20 per person. Everyone is encouraged to wear fancy dress as this added to the fantastic atmosphere at last year's event. So gather up your family, friends and neighbours and join us for this truly memorable night. Don't worry if you can't make up a full table as we can join up tables on the night. The Musical entertainment will be provided by "Swing with The Rat Pack II" Band and will prove to be an all-out rocking night.

This year all funds raised on the night will go towards 'Pieta House,' The Kevin Bell Repatriation Trust' and other local worthy causes. So mark the date in your diary **"October 6th – Community Hall- American Tea Party"** for a brilliant night of friendship, food, dancing, ceol agus craic.
